

# Join Us for an Interactive Community Input Session

Residents, property owners, business owners and those interested in neighborhood betterment in and around Old Munichburg, Southside, Lincoln University, JC High School, Thorpe Gordon Elementary School, South School and the Christy Jefferson Street area, are invited to attend a public input session to discuss your concerns in these neighborhoods and your ideas for how the heart of our community can be a better place to live and work.

During this informal discussion representatives from H3 studios, experts in community development planning, will lead the discussion for potential community betterment projects.
